LeBeloved

A beautiful oil for relationships - both romantic and otherwise; assists us in feeling the love that God and the Universe has for each of us. This love can help us to heal our own emotional wounds and then, from our own wholeness of heart we can see clearly and respond generously. The negative emotions found in out of balance relationships can manifest in a variety of ways, making this blend effective for such things as bed-wetting, headaches, heart palpitations and menstrual cramps.

Ingredients: Bergamot, Geranium, Lemon, Mandarin, Orange Sweet, Ylang Ylang

Affinity for: profoundly affects the heart chakra and the spiritual side of our natures

Aromatic Considerations: the aroma is like a breath of fresh air for our hearts and souls when we feel out of sync with our loved ones or overwhelmed by our responsibilities to them

Application: Apply over the heart chakra and on the palms of the hands.

Resonance: spiritual, emotional
