LeMagi

Derives its name from the Wise Men (Magi) who brought Frankincense and Myrrh as gifts to the Christ Child; favorite of many for feelings of clearness and intuitiveness; helpful with fear of being alone or loneliness; comforting in times of despair.

Ingredients: Angelica, Birch, Myrrh, Frankincense, Juniper, Spruce, Sandalwood

Affinity for: emotions, solar plexus and crown chakras

Aromatic Considerations: Diffuse after spiritual or energy work session to keep negative emotions worked through from reattaching; diffuse to create feelings of reverence and to heighten spirituality

Application: Apply on crown of the head, preferably in a clockwise motion; neck, eye brow, solar plexus, thymus (also clockwise); use as perfume or cologne.

Resonance: low frequency, physical range with profound effects on the emotional and spiritual planes
