LeVisibility

This blend is useful for promoting capillary health and for reducing the visibility and pain of broken or weak capillaries. (Capillaries are the finest branches of the blood vessel system and can be easily ¬damaged. They can be quite unsightly on the face. As 'spider veins' on the legs they can be quite painful.)

Ingredients: Geranium, Cypress, Hyssop, Orange Sweet
Affinity for: vein and capillary health
Application: Dilute and apply to areas of concern.
Resonance: physical
